

## **Belmont Runners - Agreement and Release of Liability**

I agree that I (and my minor child/dependent(s), where applicable, collectively referred to as the "Releasers"), am/are a member or guest of Belmont Runners, Inc, and I know that running in and volunteering for organized group runs, social events, and races with this club are potentially hazardous activities, which could cause injury or death of the Releasers. The Releasers will not participate in any club organized events, group training runs or social events, unless medically able and fit enough to do so, and by clicking the "next" button, I certify that the Releasers are medically able to perform all activities associated with the club and are in good health. The Releasers agree to abide by all rules established by the club, including the right of any official to deny or suspend their participation for any reason whatsoever. I attest that I have read the rules of the club, agree to abide by them (and have communicated them to my minor child/dependent where applicable). The Releasers assume all risks associated with being a member of the club and participating in all club activities, which may include but are not limited to: falls, sprains, strains and other physical injury, contact with other participants/members/individuals in public areas, including the potential for contraction of a communicable disease resulting from such contact, the effects of the weather; high heat and/or humidity; cold temperatures; traffic and the conditions of the road/trail including surrounding terrain and encounters with animals, bicycles and other vehicles during the run, all such risks being known, appreciated, and accepted by me. The Releasers understand that bicycles, skateboards, baby joggers, roller skates or inline skates, animals, and personal music players are not allowed to be used in club organized activities and the Releasers agree to abide by this rule.

Additionally, the Releasers agree that when participating in any virtual events or workouts held by Belmont Runners, the Releasers know that running in an event that is organized as a virtual activity where the Releasers run on their own, at a date and time of their choosing, in a location and running route of their choosing, which will not have any organization in place by Belmont Runners is a potentially hazardous activity, which could result in injury or death. The Releasers acknowledge that they are participating in the activity outlined by this virtual event by their own free will and at their own personal risk. The Releasers will not participate in a virtual event unless they are medically able and fit enough to do so, and by clicking the "next" button (on behalf of myself and as an authorized representative for a minor child/dependent(s) where applicable), I certify that the Releasers are medically able to perform this event, and in good health, and fit enough to participate.

Having read this waiver and knowing these facts and in consideration of your accepting the Releasers' membership and/or participation in club activities, I, for myself, for the Releasers, and anyone entitled to act on my behalf, waive and release Belmont Runners, any club sponsors or partners, any agents, directors and officers and volunteers, their representatives and successors from all claims or liabilities of any kind arising out of the Releasers' participation with the club, even though that liability may arise out of negligence or carelessness on the part of the persons and entities named in this waiver.

I also understand that the Releasers' photographs, motion pictures, or recordings may be taken during club activities and may include my image and/or the image of my minor child/dependent. These media (including the Releasers' images) may be used for legitimate promotional purposes for the club, with authorization by the Releasers.

If I click the "next" button on behalf of a minor, I affirm that I am authorized to do so and the child's guardian. During group activities, as the parent/ guardian, and whether or not I am present by the child, I agree to accept any and all responsibility for said child. This includes any and all risks of participating in group physical activities (as listed above). Children under 16 years of age are to be accompanied by a parent / guardian at all times during group activities.
